### **IRRESISTIBLE OFFERS FOR SAVVY SHOPPERS**

When our merchandise buyers discover volume deals, they snap them up so we can pass the savings on to you. The Great Deals department on your program website features sought-after merchandise awards that have been specially priced.

### **WHILE SUPPLIES LAST**

Hundreds of items are showcased in this section every day, including electronics, sporting goods, jewelry, home accessories, and more. But they seldom last long. Great Deals tend to sell out quickly so the stock is changing constantly. You'll never know what you'll find — but you're certain to find something you'll love.
